Pursuant to the articles 13 and 14 of the EU Privacy Regulation 679/2016 ("GDPR") we inform you that the personal data provided by the interested party ("you"), for yourself or for the organization to which you belong, to Italian Exhibition Group S.p.A. ("IEG" or "we"), on the occasion of or in connection with events, exhibitions, events, conferences / congresses, championships / competitions and / or workshops (the "Events"), organized by us, hosted or participated also in collaboration with third-party partners, they are treated in compliance with the principles of lawfulness, fairness, correctness, proportionality, necessity, accuracy, completeness and security and other legal obligations in force.

Categories of interested parties. Processing operations and collection methods

The processed data concerns **customers** (ie exhibitors, visitors, buyers, conference / congress participants, event speakers, participants in championships / races and / or workshops, exhibition and / or advertising space dealers, organizers third parties and the sponsors who have played their respective roles over the last 10 years) and **prospects** (individuals who have expressed an interest in the Events over the last 10 years, including through the delivery of their own business card or request for information or quotes or by subscribing to newsletters, journalists, institutional guests / VIPs who have already taken part in the Events over the last 10 years), intended as natural persons over the age of 14 who act on their own and / or as internal contacts of legal entities, institutions or other organizations. The individual categories of data collected are indicated in our collection forms which supplements this information. The processing takes place with electronic and paper instruments and with logics connected to the single purposes stated below.

We collect data i) through online forms or paper forms or via pre-registration or participation app you filled in and / or acquired by third parties authorized by us or ii) via mobile devices such as tablets, smartphones present in the place of the Events or iii) by visiting card delivered by you. For Events (eg jewelry events) that for security reasons of the premises and / or of the goods exposed to the public require the creation of a photo ID card, we collect your photo either through online registration form or by session photo taken at the entrance of the Exhibition Center by the operators authorized by us. In the case of events organized or hosted by third parties, the data can also be collected through third party partners.

The data collected may be processed by the staff expressly authorized by us, within the limits strictly necessary for the performance of the respective activities assigned to it (eg legal, commercial, marketing, administrative, logistic, IT, management control, etc.).

Purpose of the processing

The processing has the following purposes:

1. Fulfillment of contractual and legal obligations deriving from participation or connected to the already contractual or potential participation of the interested party in the Events.

2. Planning and organizational management of events, eg issue and payment of securities, credits and entry passes (including check of payment termination by third-party services), management of personal identification tags (with photo ID) for security, planning and management of specific services requested by you (for example translation services, hostesses, catering, accompaniment), management of the contracts we stipulate with third-party suppliers of goods and / or services used by you during or during Events; publication of name and surname or company name and name, telephone number, fax, e-mail, website, in the public online and paper catalog of the Event in which you participate; communication, upon your request for pre-contractual information (eg programs, proposals, etc.) connected to the Events, drafting of invitation letters for consular visa applications.

3. Sending (via email, ordinary mail, SMS, MMS, push-up messages, instant messaging functions such as whatsapp, telefax, telephone calls with operator, social networks and other automated tools) of commercial communications, advertising and sales offers products / services related to those of your interest or relating to exhibition /

congress and / or related products / services (eg sector publishing, championships / competitions, etc.) (overall activities defined as "soft spam").

4. Profiling. The profiling detects for privacy purposes only if it concerns natural persons, that is individual companies or partnerships and relative partners / directors, or internal referents of corporations, institutions or organizations.

The profiling uses some data supplied by you and sometimes associates them with company data taken from public databases (eg the Business Register of the Chamber of Commerce). For example, we treat the following data:

i) in the case of exhibitors: name and surname, business name of the organization to which they belong, contact details, residence or location, country of origin, website, sector of activity, types of product or service offered, annual promotional / advertising budget, type of distribution - store, department store, concept store, markets of interest, brand;

ii) in the case of buyers/visitors: name and surname, business name of the organization to which they belong, job attachment, level of professional responsibility, contact details, residence or location, country of origin, website, year of foundation of the company, turnover, employees number, sector of activity, percentage of business connected to Italy and to the foreign, Italian and foreign regions of interest, main categories of products or services of interest to the buyer and / or marketed by the same also as a percentage of sales by geographical area, categories of customers of the company, purpose of the visit;

iii) in the case of journalists: name and surname, contact details, sector and title, country of origin, language,

iv) in the case of event / conference presenters / conference presenters: name and surname, contact details, sector to which they belong, professionalism / topics covered.

In some cases, if you are a customer or a prospect, we associate the data you provide to us with your personal data acquired during your browsing on our websites or during the use of the services provided by these sites (eg cookies relating to pages of our website that you have visited, to the country from which you connect) or through other communication channels (eg social media) or through mass mailing of commercial e-mail (eg which messages have arrived, such as e-mails you have opened, what proposals you have accepted through specific actions such as opening an attachment or adhering to our request to link to landing pages or attachments to the email message, etc.).

The profiling allows us, in particular, to limit the sending to you of promotional communications not pertinent to your probable expectations and needs or through unwanted channels.

The limited nature of profiling does not exclude you from specific advantages or from the possibility to freely exercise your privacy rights, nor has any particular legal effects; in particular it does not in any way prejudice your ability to participate in the Events and / or take advantage of our services (eg online pre-registration, purchase of services).

5. Only with your separate consent: communication of data to our third-party partners (eg Event organizers, exhibitors or other operators active in the Events), for autonomous direct marketing actions related to goods / services concerning such third-party partners.

Legal basis of the processing. Mandatory or optional nature of providing data and consequences of failure to provide data

The processing for the purposes of **sub 1** has its legal basis in our need to fulfill the obligations assumed through the stipulated contract or to stipulate with you (and to carry out all the actions necessary for the correct and complete execution of the commitments therein) and / or to the legal obligations connected to it. Therefore this treatment does not require your prior consent and you are also free not to give your data, however, in this case, we will not be able to stipulate the requested contract and / or regularly provide the service requested by you or by the organization to which you belong (eg make you participate in the Event of interest and provide you with related

services) and / or we will not be able to fulfill the legal obligations connected with the contract.

The processing for the purposes of **sub 2** has its legal basis in our legitimate interest to organize Events, plan and manage all organizational activities useful to allow you to participate efficiently and effectively in Events and to manage relations with third party suppliers of functional and event-related goods and services. In particular, the request for personal data and documents, especially for foreign guests, will make the correct understanding of the data more reliable, but above all, the reliability of the company that requires an entry visa is safer.

You are free not to provide the data, but in this case you will not be able to participate in the Event.

During the Events we are made by us and / or by photographers and / or videomakers authorized by us, video footage (including voice) and / or photographs. These generic images concern trade fairs that can be qualified as public events and are therefore treated, without your consent, for publication on our websites / landing pages and social profiles (eg Twitter, Facebook, Whatsapp, Youtube, Vimeo, etc.) and on brochures, catalogs, flyers and other printed material that promotes the Events.

In the event that, however, the aforementioned images portray you in a recognizable way, IEG may publish them for the same promotional purposes, on the aforementioned our printed materials or electronic / digital channels intended for the public (eg catalogs, brochures, flyers, websites / landing pages, blogs, social networks), only with the necessary prior consent (which is the legal basis of the processing), issued on the spot to our official photographer and / or videomaker.

In the latter case, you can deny consent thus inhibiting the aforementioned treatment; on the other hand, by giving us your consent, you expressly waive any financial compensation for using your image. You can request at any time the obscuring of the face portrayed in the images published online, without prejudice to the lawfulness of the processing operated up to the date of obscuration. IEG does not guarantee the obscuration of third-party autonomous data controllers on online channels.

The treatment for the purposes of **sub 3** (soft spam) has its legal basis in our legitimate interest in contacting our customers freely, as well as the prospects, in order to be able to offer them new opportunities relating to services through electronic / telephone / paper channels. products similar to those previously purchased / contracted (in the case of customers) or to those for which interest has been expressed (in the case of prospects), or relating to products / services for exhibitions / conferences and / or related to them (eg publishing of sector, championships / races, etc.). Therefore the cd. Soft spam, as described above, can lawfully take place even without your prior consent, which is therefore not necessary.

The treatment for the purposes of **sub 4** (profiling) has a legal basis in our legitimate interest to maintain and analyze a limited set of information concerning you, in order to be able to more effectively recontact you if you are our client or prospect. Given the limited data perimeter used in profiling, it also occurs without his prior consent, which is therefore not necessary.

The processing for the purposes of **sub 5** (transfer of data to third parties) takes place only upon your specific express consent (constituting, therefore, the legal basis of the lawfulness of the processing).

The consent requested may be freely denied by you, without prejudice to your right to participate in the events and / or to obtain the services requested by you.

For the purposes under 1 and 2 the data are communicated by us to: suppliers of the management and maintenance service of our IT systems, websites and databases, photographers and / or videomakers who make the video-audio materials or the related post production, journalists and newspapers, companies entrusted with services necessary for the organization and management of events

(eg installation of fittings and equipment, publishers of paper and online catalogs, logistics, security, private security, first aid, hostesses, etc.), diplomatic representatives, consultants, banks (for the execution or receipt of payments connected to the Events), to IEG personnel authorized to process data (Communication, Travel, Sales, Marketing, etc.).

For the purposes under 3 and 4 the data are communicated to: companies charged with marketing analysis, advertising, communication and / or public relations agencies, digital and paper publishing companies that produce our advertising or promotional materials, production companies of websites or blogs, web marketing companies, subjects in charge of the design and / or maintenance of promotional materials, IT management and maintenance companies, websites and databases used to organize and manage events, image agencies.

You can ask us for a list of co-owners, autonomous and responsible owners (see the "rights of the interested party" section of this information).

Data transfer abroad

In the case of Events in the U.S.A. we communicate the data to third party recipients who are based in the United States of America. In this case, the transfer will be based on the following legal basis:

a) the bilateral "Privacy Shield" agreement in force between the EU (European Union) and the U.S.A., which provides for the companies and other entities that import these data in the U.S.A. the obligation to apply a series of protections and measures to protect the personal data received;

b) in the event that the data importer in the U.S.A. has not adhered to the Privacy Shield mechanism, the communication of the data to the importer will take place only after stipulation by the U.S.A. importer of a contractual agreement with which he, for the treatments of his competence, undertakes to IEG to respect privacy obligations substantially equivalent to those provided for by the EU legislation on our charge, through the use of standard contractual clauses conforming to the text adopted by the EU Commission.

In the case of events taking place outside the EU in a country other than the U.S.A. (eg the People's Republic of China, United Arab Emirates, Colombia, Hong Kong), organized or participated by us, we can communicate the data to third-party recipients based in these countries. This data transfer takes place in the face of adequate guarantees, constituted by the prior stipulation by the third importer of a contractual agreement with us by which he, for the processing of his competence, undertakes to respect privacy obligations substantially equivalent to those provided from EU legislation to our load (through the use of standard contractual clauses conforming to the text adopted by the EU Commission).

In the event that the stipulation of such a transfer agreement with the third data importer is impossible or excessively burdensome, the transfer of data to the non-EU country takes place on the basis of the following reasons, even if disjointed: i) it is necessary for the execution of a contract concluded between the interested party and the co-owner of the processing or the execution of pre-contractual measures adopted at the request of the interested party; ii) it is necessary for the conclusion or execution of a contract stipulated between the data controller and another natural or legal person in favor of the data subject (such other natural or legal person is our subsidiary or partner having registered office) in the non-EU country). As an alternative to such cases of derogation, we reserve the right to request specific consent for the transfer of data to the non-EU country.

The list of third parties receiving the data is available on the site www.iegexpo.it/en/privacypolicy ("section importer of data").

Duration of treatment

In the case of the purposes sub 1 e/o 2 we treat the data for 10 years from date of the contract (in the case of customers) from the collection of the data of the interested party (in the case of prospects).

In the case of the purposes sub 3 and 4 we treat the data for 10 years from the collection of the data of the interested party (in the case of customers and prospects).

The recordings of the logs related to the reading of IEG online privacy information and the on-line actions (eg clicks, flags and the like) through which IEG is informed of the data subject's consent are kept for 10 years from collection .

In the event of a dispute between you and us or our third party suppliers process the data for the time necessary to exercise the protection of our rights or those of the third party suppliers, that is up to the issue and full execution of a provision having the value of a res judicata between the parties or of a transaction.

The data connected to the "Business Matching" service provided during the Events are treated for 3 months from the end of the single Event to which they refer.

The data related to the drafting of invitation letters for the request of consular visas (eg. Copy of the passport, etc.) are processed for 3 months from the end of the single Event to which they refer.
